REQUEST FOR CORRECTION AND TRANSFER OF FEE

An Office Action was mailed July 7, 2005 in this case. In response to this Office Action, Applicants mailed their Amendment November 23, 2005, along with a Petition for Two Month Extension of Time, an Additional Fee Transmittal Sheet and a check in the amount of \$1150.00 for additional claims by amendment and for the extension fee.

Due to an inadvertent clerical error, the application number on the Fee Transmittal was in error and referred to a similar case (10/674,022) being handled by Examiner H. M. Nguyen, which has resulted in the crediting of \$1150 to that case in error.

Applicants respectfully request the assistance of the Patent Office in transferring these payments to application number 10/674,212 to cover the fees currently due on this case. Applicants further apologize for the inconvenience of these errors and extend their appreciation for the efforts in correcting these errors.

Respectfully submitted,

*F. Lindsey Scott*
